September 6, 2000

Title:

Telecommunication-Based Time Management System and Method

Group Art Unit:

2142

Examiner:

Hai V. Nguyen

Docket Number:

12935-1

AMENDMENT

Commissioner for Patents P.O. Box 1450 Alexandria VA 22313-1450

Sir:

In response to the Office letter of June 25, 2004, the corrected Amendments to the Claims begin on page 2 (through page 7) of this reply and are being re-submitted. The corrected version includes the text of all claims, not just those to be amended, so the applicant hopes the Office can now review the original amendment

document, filed on May 7th, 2004.

Respectfully submitted,

Paul C. Ulrich

Date: June 29, 2004
